Dear Dr. Fang:

Congratulations! You have been selected as a Herbert Wertheim College of Engineering Doctoral Dissertation Advisor/Mentoring Awardee for academic year 2019-2020. This honor, based upon an extensive review of your application packet, recognizes your excellence, innovation, and effectiveness in doctoral student advising and mentoring. Your award will be formally acknowledged at the Spring Herbert Wertheim College of Engineering Awards Luncheon.

I want to additionally inform you that the College is recommending you for consideration at the University level for this same award. You will be notified of the outcome by the Graduate School Selection Committee. I would like to extend to you my personal congratulations for a job well done. Mentoring of our doctoral students is an extremely important aspect of what it means to serve on the college faculty, and your dedication to this activity is very much appreciated by your colleagues and peers.

Sincerely,

Toshikazu Nishida
Associate Dean for Academic Affairs
